

River City Rangers Soccer Club Parking at St. Louis King of France Catholic Church

7601 Burnet Road Austin, Texas 78757

St. Louis Church and its K – 8 school support many parish activities throughout the week, and the main parking lot is increasingly crowded at times that coincide with Rangers practice sessions. To help relieve the congestion and keep everyone safe, and to honor the Church’s request for action, we ask that all Rangers who drive to St. Louis to pick up or drop off their kids, or to park their vehicles, do so in either of the two parking areas now designated for Rangers use. One is the grassy parking area west of Wozniak Hall. The other is the parking lot in the North Star Shopping Center, immediately north of the St. Louis track and offering access to the playing fields via a gate. See the map below. **Please do not drop off or pick up kids, or park your vehicle, in the areas on the map marked by the red circles.** Note the purple dotted line, which indicates a path from the grassy parking area to the field entrance that requires no walking among cars. Also, note that the North Star parking lot is conveniently accessible from Anderson Lane and Burnet Road.
